

YELLOWKNIFE PLAYSCHOOL ASSOCIATION

POLICY TITLE

BEHAVIOUR MANAGEMENT POLICY

POLICY:

Behaviour management will be approached in a positive, pro-active and respectful manner. Children will not be subject to any form of physical, verbal or emotional abuse or be denied physical necessities while at the Playschool.

Behaviour management guidelines are to be set and followed to ensure protection of each child's emotional and physical safety as well as the safety of the environment. If a behavior becomes extremely upsetting or dangerous to others, a conference with parents will be held. If the measures to change the unacceptable behaviour(s) have been tried and have been unsuccessful, the Playschool Board has the right to ask the family to withdraw their child from the Playschool or to terminate their membership.

Parents will be consulted and will work in partnership with the Playschool staff to ensure behavioural standards are met.

This policy and behavior management guidelines will be reviewed by all Playschool staff on a yearly basis.

BOARD APPROVAL DATE: June 15, 2010
